

ANTHONY ROAD WINE COMPANY

Wine Story

Who is Tony? This is a question we get asked constantly. Tony lives close by and has been a friend of the winery for many years. He used to work on the Naval Barge that is permanently positioned in the middle of Seneca Lake, just in front of the winery. At home, Tony makes his own wine and likes the sweet and fruity style. This is the profile that we aim to capture in our Tony's wines. Every once in awhile Tony stops by to catch up and stock up on his namesake wines. Want to know what he looks like? Just look at the label.

Winemaking Notes

Tony's Red is for the most part a blend of two grapes, Rougeon and Cabernet Franc. The grapes are harvested and then hot pressed for better flavor and color extraction. The finished wine is medium sweet, fruity and refreshing. Bottled in the .75 Liter and 1.5 Liter bottles, Tony's Red is the perfect wine for your next casual gathering with family and friends.

Tasting Notes

Fruity aromas and flavors of red raspberries and sweet cherries. Always refreshing and pleasingly sweet.
