2019

The 2019 growing season started out cool and wet. Bud break and bloom were about 10 days behind normal. The late Spring and Summer were comfortable but many varieties needed a ripening push heading into September. A warm and dry September gave us the push necessary to ripen and harvest some exciting fruit.

Harvest dates

October 21, 2019

Vineyard: Martini Family Vineyard

Winemaking Notes: The fruit was machine harvested and then de-stemmed into stainless steel tank and fermentation bins. Once fermentation was completed the free run finished wine was moved into stainless steel tank for malolactic fermentation. After ML, the wines were moved into neutral French barrels and aged in barrels for about 14 months.

Bottling date: July 15, 2021

Tasting Notes: Aromas of gravel, cherry, pomegranate, mocha and sweet baking spice. Flavors of pomegranate, cherry and dark chocolate. The wine is fresh and flavorful with a mineral impact and long finish.
