DEVONIAN WHITE

40% Riesling, 30% Chardonnay, and 40% Pinot Gris

Devonian - a chapter of geological history in the Finger Lakes. Sedimentary rock from this period is the foundation of the soils in which our grapes grow.

A non-vintage blend. The mix of vintages allows us to build complexity while maintaining consistency of quality.

Winemaking Notes: The goal is to produce a dry white wine that is intriguing, fruit forward and approachable. Its lighter body, vibrancy and fresh flavors enable it to pair with most cuisines. Fermentation and aging in stainless steel. Year in and year out, our Devonian line is a great value and it makes for the perfect every day wine.

Tasting Notes: Aromas and flavors of apple, pear and lemon, with floral and mineral hints in the finish. The acidity is vibrant and helps to invigorate and refresh the flavors on the palate.
