2020

The 2020 growing season started out cool & dry which resulted in a late bud break & flower bloom. The late Spring & Summer was warm & dry with cool nights. This diurnal shift resulted in very ripe fruit with fresh acidity. As harvest approached, the vines were free of disease pressure & the grapes were clean, ripe & fresh with the resulting wines showing power and balance.

Harvest dates

September 30 ,2020

Vineyard:

Nutt Road Vineyard G1 Block

Winemaking Notes: The fruit was put directly into press and juice was pressed away from the skins. There was no extended skin maceration and this helps to preserve the fruit notes, tame the floral aromatics and limit the bitter components. The warmer growing season resulted in some really beautiful quality fruit that translates into the finished wines.

Bottling date: April 9, 2021

Tasting Notes: Aromas and flavors of Asian pear, lychee, smoke and floral. The mouthfeel is weighty and broad with a long creamy length.

Past Vintages

DRY SEMI-DRY SEMI-SWEET SWEET

Tech Data

BRIX AT HARVEST	22 Brix
RESIDUAL SUGAR	7 g/L
PH	3.69
TOTAL ACID	4.22 g/L
