PINOT GRIS

2021

The 2021 growing season started with a mild Winter that turned into a warm Spring. Bud break and bloom were earlier than the previous year by at least two weeks. Early Summer was warm and dry with conditions changing to warm and wet by August. As September approached, disease pressure was high and getting higher throughout the harvest. Careful attention was needed in the vineyard and in the cellar to ensure high quality.

Harvest dates

September 3, 2021

Vineyard:

Nutt Road Vineyard, PG2 Block

Winemaking Notes: The fruit was machine harvested then pressed into stainless steel tanks for fermentation. To help bring more fruit and structure to the finished wine, a small percentage of Riesling was blended with the Pinot Gris. 86% Pinot Gris, 14% Riesling

Bottling date: May 19, 2022

Tasting Notes:

Aromas and flavors of pear, lemon, apple, spice, tangerine and thyme
