2019

The 2019 growing season started out cool and wet. Bud break and bloom were about 10 days behind normal. The late Spring and Summer were comfortable but many varieties needed a ripening push heading into September. A warm and dry September gave us the push necessary to ripen and harvest some exciting fruit.

Harvest dates

September 24, 2019 and October 4 & 5, 2019

Vineyard: Martini Family Vineyards, this vineyard block was established in 1974.

Winemaking Notes: The fruit was hand harvested and whole cluster pressed. This wine is a blend of 2 different fermentations based on separate picking dates. The separate pickings allowed us to play with acidity and sugar strengths in our finished blends.

Tasting Notes: Aromas and flavors of pineapple, apricot and peach.

Bottling date: July 1, 2020
