2020

The 2020 growing season started out cool & dry which resulted in a late bud break & flower bloom. The late Spring & Summer was warm & dry with cool nights. This diurnal shift resulted in very ripe fruit with fresh acidity. As harvest approached, the vines were free of disease pressure & the grapes were clean, ripe & fresh with the resulting wines showing power and balance.

Harvest Dates:

October 15 & 22, 2020

Vineyard: Martini Family Vineyards

Winemaking Notes: The fruit was machine harvested and then crushed into stainless steel tanks and bins to ferment. The quality go fruit in 2020 was very high and the resulting wine is pure, bold and finessed. The wines aged for about 16 months in French oak barrels.

Bottling Date: April 7, 2022

Tasting Notes: Flavors and aromas of dark cherry, raspberry, earth, spice and dried herbs.
