2021

The 2021 growing season started with a mild Winter that turned into a warm Spring. Bud break and bloom were earlier than the previous year by at least two weeks. Early Summer was warm and dry with conditions changing to warm and wet by August. As September approached, disease pressure was high and getting higher throughout the harvest. Careful attention was needed in the vineyard and in the cellar to ensure high quality.

Harvest dates

October 13, 2021

Vineyard:

Nutt Road Vineyard

Winemaking Notes: The fruit was machine harvested, pressed and then fermented in both stainless steel tank and large format barrels

Bottling date: August 26, 2022

Tasting Notes: Aromas of Asian pear, lychee, and white tea and floral notes. The mouthfeel is weighty and broad with some length and a bit of spice.
