Martini - Becraft Selection Vignoles Berry Selection

2020

The 2020 growing season started out cool & dry which resulted in a late bud break & flower bloom. The late Spring & Summer was warm & dry with cool nights. This diurnal shift resulted in very ripe fruit with fresh acidity. As harvest approached, the vines were free of disease pressure & the grapes were clean, ripe & fresh with the resulting wines showing power and balance.

Harvest dates

November 13 & 14, 2020

Vineyard:

Martini Family Vineyards

Winemaking Notes: The handpicked fruit washout stomped to soften and break down the raisins berries. Once pressed, the juice was fermented spontaneously in stainless steel tank. A truly special vintage for this style of wine.s.

Bottling date: July 22, 2022

Tasting Notes: Intense aromas and flavors of pineapple, candied apricot, ripe peach and honey. The wine is fresh and the length of flavor is long and utterly enjoyable.
