

ANTHONY ROAD VIGNOLES FINGER LAKES LATE HARVEST 2020

There's a mind-blowing cornucopia of exotic fruit on the nose of this staggering, nobly sweet wine that's brimming with pomegranate, grapefruit and passion fruit. Rich, yet totally vibrant on the medium-bodied palate. Staggering intensity at the super-long finish, where there's a wave of fresh pineapple and papaya character. Super-long, pristine finish. Drink or hold. Screw cap.
