ANTHONY ROAD
WINE COMPANY

CABERNET FRANC

Medium tannins and soft oak compliment the red berry fruit characters and hints of dried herbs and smoke. Medium-bodied palate with a long, clean finish.

2023

The 2023 growing season was off to an early start with a warm spring. Bud break was early and this proved to be an issue as a late freeze on the evening of May 17th killed many primary buds around the region. In our vineyard there was damage to our Martini Vineyard Lemberger and Chardonnay vines. Late spring to early summer was cool and wet and then things warmed up in July and into early August until the weather cooled again. It was around this time that wildfire smoke from Canada blanketed the area. Heading into the harvest the acidities in the grapes were still high and the Brix were in need of a climb. In late September into early October we had a week of sunshine with temperatures in the 80's. This helped all varieties fully ripen and the resulting wines are of a high and concentrated quality.

Harvest Dates: October 12 & 13, 2023

Vineyard: Martini Family Vineyards and Nutt Road

Winemaking Notes: The fruit was machine harvested and then de-stemmed into stainless steel tank for fermentation. Once the fermentation had completed, the wine was racked off its skins into barrel to complete malolactic conversion. This wine aged in neutral French barrels for just a little over a year. A small percentage of Merlot was blended in to support the overall fruit impression..

Bottling Date: March 20, 2025

Tasting Notes: Aromas and flavors of cherry, raspberry, pomegranate, olive, dried herbs and smoke.

Tech Data

BRIX AT HARVEST	21.5- 23
RESIDUAL SUGAR	2 g/L
PH	3.54
TOTAL ACID	5.1 g/L
ALCOHOL	13.4%
CASES PRODUCED	381
